Intent to Re-Enroll for 2022-2023 School Year

Dear Current CCA Family,

As we begin next year's re-enrollment process, we are asking our parents/guardians to complete an "Intent to Re-Enroll" form for each child currently enrolled at CCA or in the 4's program at CCCP or if your child has a sibling that has yet to enroll. This information is critical as we plan our staffing and classroom placement for next school year and we value your desire for enrollment since you are already part of our school family!

We must have your intent form returned by February 16th, 2022.

In addition to the "Intent to Re-Enroll" form, we have attached an invitation to our Open House for Creative Christian Academy. Please join us on Thursday, February 10th for information and donuts on us!
