Just a Reminder

We will continue to progress as Readers through our classroom 'Bob books' and with the homework books that are sent home. Let's finish strong by remaining consistent in our practices at home. This is the time of year to allow their confidence that they have accumulated from their school year to shine in their independent work! Let us reflect on our growth to remember how to shine bright in our current season. I am so proud of each of them and I look forward to watching them shine their bright light over our last few weeks of school. Let's finish bright and strong!

Additionally, it is chilly in our classroom. The kids often get cold while we are inside. Please send a light jacket to be kept in their locker/bookbag that they can put on and remove as necessary. Thank you!
